

Public Engagement and Communications Associate

Job Posting

Open Period: Dec. 4, 2017 – Jan. 19, 2018

Acadia Center, a non-profit, research and advocacy organization committed to advancing the clean energy future, is seeking a Public Engagement and Communications Associate to join its team working on public engagement and organizational advancement. Acadia Center works to develop a clean energy economy by offering real-world solutions to the climate crisis.

Position

Acadia Center is adding a position to support work in the organization's Public Engagement Team. This is an exciting opportunity for a motivated communicator who can help Acadia Center capture the excitement and significance of its work through compelling storytelling across digital media. Acadia Center's Public Engagement Team raises awareness of strategies to build the clean energy future and facilitates the organization's promotion of reports and advocacy materials. Together the Team works on communications, media, organizational marketing materials, adaptation of detailed information into engaging and well-designed public facing handouts, hosting community and other forums, organizational advancement, and related activities. The Public Engagement and Communications Associate will work with the team to advance the organization and its work by telling Acadia Center's story through blogs, email marketing, press outreach, and social media. S/he will play a fundamental role in the digital operations of the organization, assisting also with website management and event planning. The Public Engagement and Communications Associate will help shape and grow Acadia Center's social media strategy, while also contributing to the broader Public Engagement strategy.

This is an opportunity for an adept and organized self-starter who is excited about Acadia Center's mission and approach.

Activities

- Develop original content for social media and build Acadia Center's social networks.
- Develop content for web publication through close collaboration and interviews with staff.
- Monitor Acadia Center's digital presence, including web analytics and press hits.
- Create content for and manage distribution of Acadia Center's newsletter and other email marketing.
- Support distribution of press releases, advisories, and pitches; manage Acadia Center's media contact database.
- Collaborate with staff across the organization to distribute digital materials to our networks.
- Assist in planning and promoting events through social media and other digital communications platforms.
- Support other Public Engagement tasks as necessary.

Qualifications

- 2-5 years journalistic/editorial/nonprofit communications experience.
